

The EasyCopy Company, 22 years' experience ...
in producing and delivering systems for managing graphics workflow across platforms.

More than 100 companies and 100.000 EasyCopy Engineering and CAD/CAM users, choose EasyCopy as their wall to wall application for the important functions that are outside the scope of their primary applications, such as CATIA, NX and SDRC.

The EasyCopy Graphics Suite helps them solve their challenges with:

- CGM, EMF and SVG support
- Conversion; ex. EMF to CGM or CGM to PDF
- Printing/Plotting without limitations
- Professional Annotation, Mark up and Editing
- Specialized Engineering and CAD/CAM-tools
- Enhanced Montage, layout and export to PowerPoint
- Animated sequences for 3D visualization
- Training video's

... and much more

"EasyCopy is a great tool when working with graphics communication".
